About MENACTRIMS

MENACTRIMS is an independent non-profit scientific organization that facilitates communication and creates synergies among clinicians and scientists to promote and enhance research and improve clinical outcomes in multiple sclerosis (MS). The main objectives of the organization are as follows:

- Establish National and Regional MS registries and collaborate on a large MS registry
- Develop regular, updated guidelines for MS diagnosis and treatment in the region
- Organize bi-annual congresses on MS treatment and research
- Encourage young researchers in the field of multiple sclerosis
- Collaborate with national and local associations to support MENACTRIMS' mission
